Jazz and Standards

All the Way
Almost like being in love
Alone Together
All of Me
Ain't misbehavin
As Time Goes By
But not for me
Bye bye blackbird
Beautiful love
Body and soul
Blue Moon
But Beautiful
But Not For Me
Close Enough For Love
Close as pages in a book
Come rain or come shine

Hit that jive jack
Hello young lovers
How long has this been
How high the moon
I could write a book
I should care
I can't give you anything but love
If I were a bell
I fall in love too easily
I'm glad there is you
It could happen to you
I didn't know what time it was
I'll be seeing you
I love you
I Got It Bad
It Had to be you
I remember you
I'll remember April
It's always you
I'm through with love
It don't mean a thing
I Can't Get Started
I Only Have Eyes For You
I can't make you love me
I Love Being Here With You
I Never Told You
I Wish You Love
I've never been in love before
In a mellow tone
I thought about you
I'm old fashioned
I've got the world on a string
Just in time
Just squeeze me
Just friends
Just you, just me
Kiss to bulid a dream on, a
Love Me or Leave Me
Let's get lost
Loverman

We'll be together again
Way you look tonight, the
Wonder why
Where Do You Start?
When You're Smiling
You stepped out of a dream
You're Driving Me Crazy
You'd be so nice to come home to
Yours is My Heart Alone
You make me feel so young
You go to my head
You do something to me
You're getting to be a habbit to me
You're my everything
You call it madness
